About Me

Hi, I'm Asad, a 23-year-old web developer from Islamabad and founder of WebEdge. I focus on web development, SEO, and content writing, crafting intuitive and effective digital solutions.

Experience

WebEdge SiteBuilders

2022 - Continued

- I lead WebEdge in delivering innovative web development solutions, including custom websites and applications. We excel in SEO optimization and content creation, consistently exceeding client expectations.

Developer Internship/Job

2021 - 2022

- Developed and maintained web applications, collaborating with clients to deliver high-quality solutions. Gained expertise in both front-end and back-end development while working effectively in a dynamic team.

Education

NUST University, Islamabad

2018 - 2022

Bachelor of Computer Sciences

Punjab Group of Colleges, Islamabad

2016 - 2018

Intermediate in Computer Science
